

## **CAPACITY BUILDING AND SKILL DEVELOPMENT**

At LORD JEGANNATH COLLEGE OF EDUCATION, Skill Building cuts across sectors and stands under following heads:

### **ENHANCING PROFESSIONAL CAPACITIES (EPC)**

#### **EPC 1 -Reading and Reflecting on Texts**

Preparing a Record on “Reading and Reflecting on Texts”.

1. Every student-teacher should prepare and submit a comprehensive record of the reading writing activities done throughout the course for his/her teacher’s feedback and evaluation.
2. Read any three books related to education and submit a review of them.

#### **EPC 2-Drama and Art in Education**

##### **Tasks and Assignments:**

1. Write a detailed report on how you have used drama as a technique for teaching your school subject.
2. Write a comprehensive report on how you have used fine arts and music for teaching your school subject.

#### **EPC 3- Critical Understanding of ICT (Information and Communication Technology)**

##### **Tasks and Assignments:**

1. Write a report based on your preparation of e-content and presentation of it to the class with different ICT tools.
2. Write a report on the organization of video-conferencing with an educational expert.

## EPC 4- Understanding the Self

### Tasks and Assignments

1. Every student-teacher should write one's autobiography, and biography of a child who has grown up in different socio-economic and cultural backgrounds.
2. Every student-teacher should write a report on their experiences gained through art, dance and theatre exercises undertaken by them.

### Capacity Building for Institution Development

LJCE builds the capacities of grass root level institutions like GHS, GHSS GOVT. Aided Schools and Clubs. Trainings are carried out in the field of motivation, OD, group formation, governance, leadership skills, financial literacy and book keeping. Capacity Building for Institutional Development is central to building strong institutions among the poor and vulnerable. The training are carried out by LJCE personnel or through partnerships with other resource organisations.

### Objectives:

- To inculcate skills related to the domain subject
- To impart practical training on the skills embedded in the syllabus citing related real field situations
- To integrate theory and practice

### Learning Outcomes:

Students will be able to

- Develop and satisfy their intellectual curiosity
- Analyze data and synthesize research findings

- Report findings in written and verbal forms
- Use library, OERs and other tools to search for content relevant to their topic
